TBF Student Angler Federation

Welcome and thank you for your interest in The Bass Federation's Student Angler Federation School club program.

The "program" contains two parts.

Part one - Is an introduction DVD that you can show in a classroom or a general student body assembly. The DVD will show students how fun and interesting the outdoors can be as well as the opportunities created by putting their education to use. You will also receive a sample copy of our classroom workbook is designed to show students the true importance of their education in a fun and exciting way. Throughout the program we break down the basic elements of their education and show them how those basic educational tools; Math, Science and Language Arts are necessary in everything they do in life, and how they are used by anglers out on the water every day. We also show some of the career opportunities today in outdoors\ fishing.

Part two - After you have shown the DVD to the student body we hope there is interest in starting a TBF Student Anglers Federation club in your school so the students can get started learning, putting their educational tools to use, possibly earning scholarship money and having some clean family fun!

When you submit this application you will receive (at no cost to your school*).

1. A copy of the introduction DVD that you can show in a classroom or a general assembly to student body. The DVD will show students how interesting the outdoors can be as well as the benefit of applying their education.
2. A sample copy of our classroom club workbook
3. And a flyer on how to start a TBF Student Angler Federation club in your school as well as the benefits that go with forming a TBF club at your school.

This program is absolutely free to your school. Your only obligation is to submit a faculty contact person and to complete an evaluation form (included) within 30 days of each DVD showing. (*Failure to provide these evaluations will result in an invoice for \$39.95 being sent to your school for the use of the program)

Please fill in the information below and we'll get your TBF Student Anglers Federation package out ASAP!
